

Carole Hodges

Coach - Speaker - Consultant

The YES Connection Flip the Switch on Motivation

Vision without action is static. Most people stop short of their dreams because they lack sufficient motivation to get there. Learn what pushes you forward and what holds you back, and to keep up the momentum on a daily basis.

You will learn three essential components to effective motivation and how to use them to generate enthusiasm and ACTION toward your goals. Ideal for business owners, managers and sales professionals.

Learn how to:

- Uncover the core issue that holds you down
- Activate your gifts to keep you charged up
- Communicate effectively to others
- Inspire and attract others
- Create the link between attraction and new business
- Coach others to succeed
- Generate money using your YES Connection

Testimonials

"Your presentation had a mystical quality to it. I felt as if we had received a blessing from you. Very interesting and moving"

--Anne Reeves

"As a professional recruiter, nothing is more important to me in my business than understanding people, their skills, styles, strengths and weaknesses and you provide the tools to examine various personality traits from a very interesting perspective. Thank you for sharing."

--Anna Windland

Carole Hodges originated the YES Connection for business and relationship success. She combines the wisdom of many traditions with practical application for business owners and sales professionals, using 20 years of experience as a corporate sales leader, marketing executive business coach and innovator.

Her varied background includes investment banking, alternate energy, telecommunications, internet marketing and musical theatre.

"Magnetic" and "energizing" are the words that best describe Carole's speaking style. Audiences enjoy her unique blend of introspection and success principles.

Carole holds a Bachelor of Arts degree from Mount St. Mary's College. She is a master practitioner of NLP, a certified Results Coach and an accomplished performer.

It takes You, Energy and Strategy!
